

2005

Annual Report

Peterborough Lakefield Community Police Service

*Alan M. Wilson
Chair,
Police Services Board*

A Message from the Chair of the Board

“Public Safety and Emergency Management” are increasingly important combined elements of life in Ontario in general and equally so in the City of Peterborough and Village of Lakefield. Criminality is at least provincial, if not global in nature, as organized crime plays a part in every community. The currency of crime most prevalent today is drugs which are sold to citizens of all ages and all socio-economic groups. The pedlars of these mind-altering substances feed on our children and often on the most vulnerable in society.

A round table, late in 2005, of a number of concerned citizens representing various service agencies in our area, including our Chief of Police met and the guest of honour was now Prime Minister Stephen Harper and he heard very clearly that drugs, guns and gangs are the greatest social cancer of today. The “Green Tide Report” on drugs in Ontario clearly spelled out the

fact that drugs from Ontario are the southward currency for guns and cash from the United States. This must be dealt with to help protect our society from the effects of this insidious problem.

Conversely, the best in society was witnessed in the service of our local police (Peterborough Lakefield Community Police Service and the Ontario Provincial Police) working together to raise \$165,000.00 for COPS for Cancer. Congratulations for an amazing effort in the new initiative of “Pedal for Hope” birthed right here in Peterborough.

My personal congratulations go to the outstanding men and women, civilian and sworn, of the Peterborough Lakefield Community Police Service. My thanks to the Board for another year of hard work and dedication to the cause of good governance in policing.

*Terrence M. McLaren
Chief of Police*

A Message from the Chief of Police

I am pleased to share with the communities we serve our Annual Report for 2005. I am extremely proud of the dedication of all members of the Peterborough Lakefield Community Police Service. Their innovation, teamwork and creativity, together with our community partnerships and the support of our Police Services Board, allowed us to respond to the challenges and opportunities that we faced during this past year.

The communities of Peterborough and Lakefield are safe communities, a fact of which the Peterborough Lakefield Community Police Service is proud. The members of our Police Service are also citizens of these communities and this is evidenced by their volunteer participation on a variety of community and provincial committees.

In this Annual Report is an up-date on the progress of our current three-year business plan, which expires at the end of 2006. During the latter part of 2006 we will begin the process of formulating a new three-year Business Plan that will take us through to the end of 2009. Our business plan can be found on our web site www.peterboroughpolice.com

I encourage you to review this Annual Report, share your ideas and envision how, collectively we can participate in maintaining and enhancing the Peterborough Lakefield Community Police Service to be the Best Police Service, providing the highest standard of professionalism in partnership with our community.

Our Motto
*Professional,
Friendly and
Helpful*

Our Vision
*To be the best
Police Service,
providing
the highest
standard of
professionalism
in partnership
with our
community*

Core Values

The Peterborough Lakefield Police Services Board and the Peterborough Lakefield Community Police Service are committed to serving our community.

In pursuit of Our Vision:

We believe in working with our citizens to make this community a safe and enjoyable place where we can live, work, play and carry out lawful activities in peace and harmony.

We believe that our members are our most important resource.

We believe in a commitment to continuous learning and improvement, and maintaining open, positive communication which encourages team work.

We believe that daily duties should be carried out in a professional, friendly and helpful manner, having regard to the right of all citizens, the laws of the country, province and community, our training and experience and the circumstances of the duty to be performed.

We believe that our primary concern is promoting the safety of our citizens from injury or death, either by accident, misadventure or deliberate act, and the protection of the property of our citizens from theft or damage. We will provide such education, crime prevention advice, enforcement or other appropriate activity required to fulfill this duty.

We believe in the vigorous pursuit and apprehension of criminals in order to maintain an acceptable degree of order in our community and we will endeavour to ensure that citizens are not subject to unreasonable interference in their daily activities.

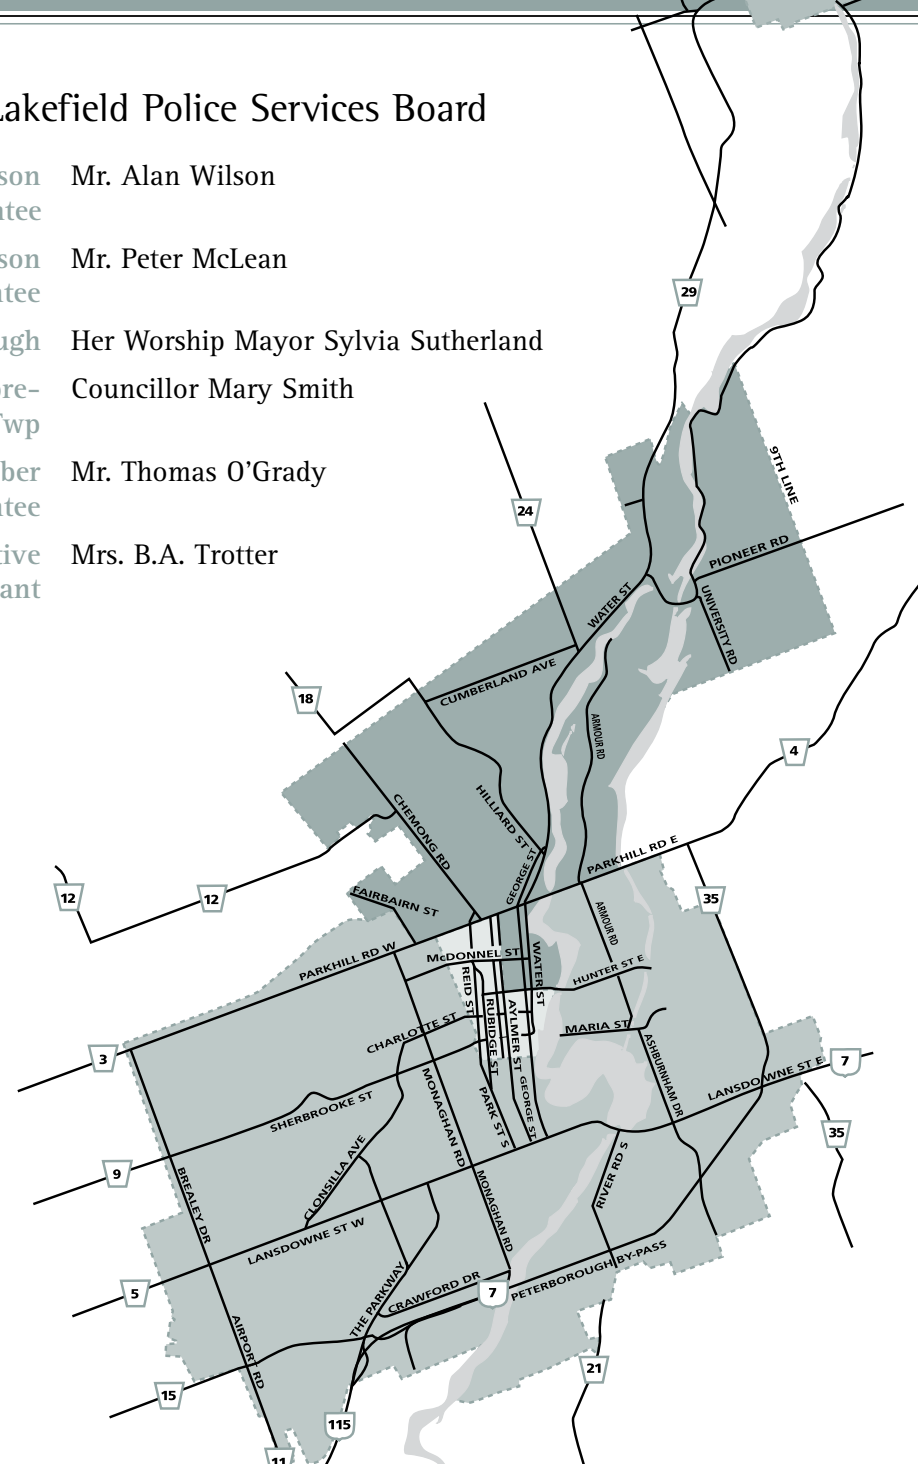

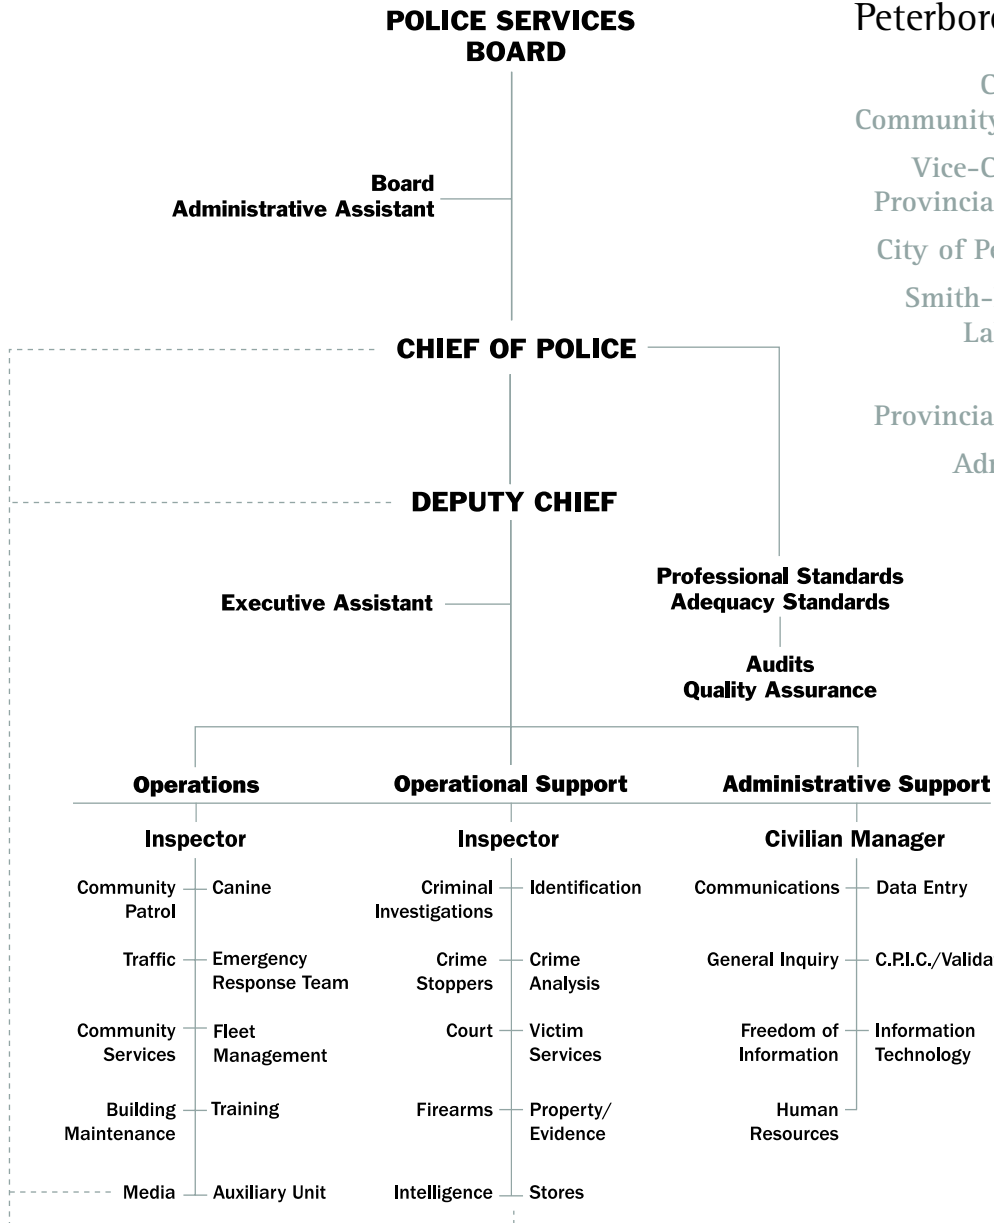

We believe that access to assistance to what ever form needed by our citizens is another important responsibility. We will be conscious of these requirements and provide appropriate aid, directly or by referral, to other services in our community.

Peterborough Lakefield Community Police Service

Peterborough Lakefield Police Services Board

- Chair Person Mr. Alan Wilson
- Community Appointee
- Vice-Chair Person Mr. Peter McLean
- Provincial Appointee
- City of Peterborough Her Worship Mayor Sylvia Sutherland
- Smith-Ennismore-Lakefield Twp Councillor Mary Smith
- Member Mr. Thomas O'Grady
- Provincial Appointee
- Administrative Assistant Mrs. B.A. Trotter

Executive Roster

Chief of Police Terrence McLaren

Deputy Chief of Police Kenneth Jackman

Staff Sergeant Robert Hawthorne

Sergeant Robert Messacar

Executive Assistant Patricia Thomas

Deputy Chief of Police
Kenneth Jackman

Chief of Police
Terrence McLaren

Staff Sergeant Robert Hawthorne is responsible for the administration and management of Planning, Professional Standards and Adequacy Standards.

Professional Standards Branch was created to address legislative changes to Part V of the Police Services Act with complaints about the conduct of, or policies or services provided by the police. This process, is monitored by the Ontario Civilian Commission on Police Services, reporting to the Solicitor General of Ontario. In 2005, our Branch investigated a total of twenty-five (25) complaints, including thirteen (13) internal matters, compared to twenty (20) complaints received in 2004. The complaints for 2005 consist of nine classified as discreditable conduct and fourteen as neglect of duty. The dispositions of these complaints include three withdrawals, two informal resolutions, four unsubstantiated, twelve informal discipline, one resulted in formal discipline (*Police Services Act* hearing) and three required no further action. There is one outstanding public complaint investigation. Two internal matters pending, one from 2003 and one from 2004 was recently concluded with formal discipline (*Police Services Act* hearing). In 2005, four complainants appealed the decisions of the Chief of Police to the Ontario Civilian Commission on Police Services. Two of these decisions have been upheld and two are currently under review.

Planning is an integral part of policing today, particularly as it relates to the new requirements of the Adequacy Standards, which incorporate a business planning mind set into the routine functions of the Service. This planning function becomes the means by which we carry out our daily activities.

Adequacy Standards are the result of amendments to the Ontario Police Services Act which now requires all Police Service Boards and Police Services in the Province develop and implement comprehensive and prescriptive policies to direct and guide the Police Services. The Service is committed to developing and updating Service Orders in a timely fashion to insure compliance with Adequacy Standard legislation.

Sergeant Robert Messacar is responsible for the administration and management of Quality Assurance and Adequacy Standard Compliance.

Quality Assurance and Adequacy Standard Compliance primarily addresses the audit function within the Police Service and incorporates both internal and external processes which ensure the continued success of the business plan, as well as compliance with Adequacy Standards. The requirements for a review process are built into the Standards. This review is viewed by the Peterborough Lakefield Community Police Service as a mechanism to further enhance the delivery of service and to identify best practices. Changes, usually minor in nature, to existing policy and service delivery models are constantly recommended to achieve this end.

Operations Division

Inspector Jack McNamara

The Operations Division was headed by Inspector Jack McNamara. The following areas within the Police Service are under his area of command: Community Patrol, which consists of four platoons of front line officers, Emergency Response Team, Traffic Management, Canine Unit, Community Services, Fleet and Building Maintenance, Training and the Auxiliary Unit.

Community Patrol Unit utilizes a team policing concept. This Unit promotes crime prevention and the shared responsibility between the community and the police for resolving crime and order problems that may be unique to a specific area of the City and the Smith-Ennismore-Lakefield Twp. Lakefield Ward. Each year, teams set goals and objectives, plan team meetings and design strategies to attain their goals and objectives. Some of the meetings held, involved the input of citizens who reside in their area, and also promoted the sharing and coordination of information between teams. There was a "Partners in Community Policing Meeting" held at the Evinrude Centre hosted by all the area teams which was open to the public to attend.

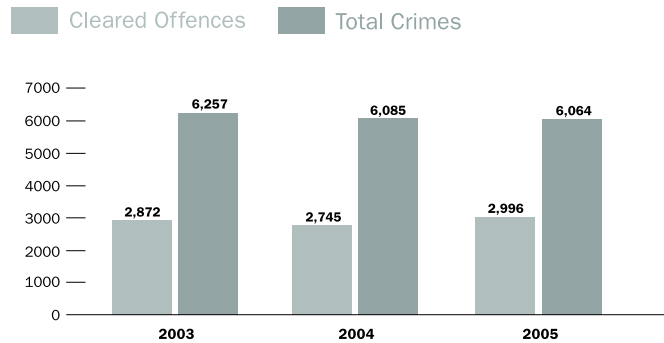

- **Team One** polices the heart of the City with a high concentrations of commercial businesses.
- **Team Two** polices the north end of the City with a high concentration of residential, schools, university and business core
- **Team Three** polices primarily residential in the west end of the City with industrial areas in the south
- **Team Four** polices mixed residential and commercial in the east and south part of the City
- **Team Five** polices the Smith-Ennismore-Lakefield Township Lakefield Ward

Emergency Response Team members were deployed to 9 calls for service in 2005. These ten officers were utilized in 1 high risk vehicle assault for an armed person, 2 armed and suicidal males barricaded in their residence, both in which negotiations were initiated, 3 high risk Controlled Drugs and Substance Act search warrants in which drugs and firearms were recovered and 3 high risk Criminal Code search warrants. Training for the Emergency Response Team totalled 1,200 hours. Members of the Emergency Response Team look forward to 2006 and continue to be motivated in maintaining and improving a high level of efficiency in tactical responses on behalf of our Service and in serving the community.

CRIME TREND

Cleared Offences and Total Crimes

6,064 Total Crimes in 2005 indicated a decrease of 0.3% compared to 2004. The Clearance Rate was 49.4%.

Traffic Unit consists of one Sergeant and four Constables. This Unit's goal was to conduct proactive enforcement focused on collision reduction. Through working together with the various teams and platoon members, and conducting selective enforcement in problem areas on an ongoing consistent basis, the unit continued to work towards reduction in traffic collisions and related injuries in the community. The Traffic Unit participated in the annual Spring and Fall seatbelt enforcement campaigns, commercial motor vehicle inspections and the Christmas RIDE program. Selective enforcement and education was also conducted in the downtown core, directed at cyclist and pedestrian safety. The traffic unit officers responded to 701 traffic related calls for service and 814 non-traffic related calls for service.

Canine Unit saw the completion of the eighth full year of operation. As of July 1, 2005, PSD Max and PC Rutherford surrendered the leash to return to platoon duties. In September, at an event hosted by the Peterborough Kiwanis Club, PSD Max and Constable Rutherford were publicly recognized for their many contributions to this Police Service and the community for their seven years of service. PC Chartier, along side PSD Harris and PC Mason, along with PSD Knight, have since assumed the role and functions of the Canine Unit for our Service. These members responded to 779 calls for service and 75 canine calls. These calls included 24 trackings, 51 searches for persons and 17 drug searches, resulting in 61 canine successes. There were 282 hours spent training in canine, range and use of force. Thirteen presentations were given and in addition to their local duties, both canine teams were deployed as part of a FBI and DEA drug and guns sweep in Buffalo, New York, during the summer.

Community Services Unit is comprised of four members assigned to the 32 schools in our community. Each officer delivered the VIP (Value, Influences and Peers) program, Safety Patrol and BEE (Bullies have an Effect on Everyone) program to their schools, and participated in various school community events. In 2005, the Community Services Unit was actively involved in a number of community presentations and events for various support services, service organizations and charitable fund-raising groups. Over and above the daily responsibilities held by our Community Service members, each officer actively participated in and was involved in a wide array of public service organizations. This Unit provided cooperative learning for high school students and through Sir Sandford Fleming College's LINK program, college students participated in field placement with members of our Service. The Safety Patrol Program for elementary school captains and their teams was also coordinated by the Community Services Unit. This Unit's members were involved in many community events throughout the year, including Police Week, Ident-a-Kid, home shows, Kids & Cops program, drug and alcohol education and Crime Prevention Week.

TOTAL CALLS FOR SERVICE

The 2005 rate was a total of 5 service calls more than 2004

ACCIDENT TREND

Collisions and Injuries

Collisions Investigated increased 3.5%
Collisions involving injuries increased 7.1%
There was 1 collision fatality in 2005

■ Collisions ■ Injuries

The Collision Reporting Centre was opened in January of 2002, thereby making the reporting of a collision easier for the public. In 2005, the Centre handled 1,719 collision investigations and were responsible for the detection of 6 unlicensed drivers and 22 uninsured drivers.

Secondary School Liaison Program is unique to this Service in that regular community patrol officers, assisting our full time high school liaison officer, Constable Marc Habgood, volunteered to act as liaison officers for all the secondary schools with the goal of gaining confidence and respect of the students and reducing crime and violence. An excellent relationship is maintained between the officers and the school principals, teachers, counsellors and members of the school board. The officers in the program were responsible for making several presentations at the schools on topics such as anti-bullying, drugs, sexual harassment, sexual assault, drinking and driving, gangs and internet safety. Officers also worked with "Project Frontline" conducting enforcement details at identified problem areas. This program was once again a success and continues to develop positive links with our youth while creating a safe school environment.

Training Unit is staffed by one Sergeant and is responsible for media liaison, the supervision of the Community Services Unit and DNA applications as they pertain to serial and dangerous offenders serving periods of incarceration. This unit is also responsible for the administration of all the Service's training programs as well as course development for In-Service training programs. In 2005, 44 members received a total of 4,144 hours of training from both the Canadian Police College and the Ontario Police College. Sixty-three members received a total of 952 hours of training from off site seminars and workshops. Uniform members attended three 10 hour in-service training sessions which included training in use of force, death notification, investigative detention, dealing with mental health issues, impaired driving law updates, introduction to the TASER and first aid. A ten hour in-service training session was given to 158 members, including uniform and civilian, in Police Service Excellence training. This program was developed with the assistance of the Ministry of the Community Safety and Correctional Services in partnership with Ontario Tourism Education Corporation and the Ontario Association of Chiefs of Police. This training focused on strengthening customer service skills and working within a team environment. The Training Unit remains committed to providing high quality training for all members of the Service, allowing them in turn to provide the best quality service to the Community.

Auxiliary Unit has a total strength of 27 members including an Auxiliary Staff Sergeant and two Auxiliary Sergeants. There were 2 resignations submitted in 2005. Auxiliary recruitment took place late in 2004 resulting in 11 new members graduating in 2005. The members participated in 178 "ride-alongs" with uniformed officers, participated in 46 community events and performed a wide variety of duties including traffic direction (parades and special functions), community displays, Police Week, as well as security at police auctions, for a total of 4,108 hours dedicated to the citizens of Peterborough and Lakefield.

Criminal Investigation Unit, including the *Major Crime Unit*, is responsible for all major crimes against persons. The officers of this unit possess the required knowledge, skills and abilities to conduct complex investigations and are responsible for investigating homicides and attempts, sexual assaults, robberies, assaults against children and the management of high risk offenders living within our community. The Major Crime Unit is overseen by a Sergeant and a Staff Sergeant designated as the Service's Major Case Manager. Supervisors in the unit are responsible for monitoring Major Case Management of threshold investigations, Sexual Offender Registry management, ViCLAS and PowerCase submissions.

The *Active Crime Unit* is responsible for investigations related to property crimes. These incidents include break and enters and thefts. This Unit regularly assists in major crime, robberies and sexual assaults, along with uniform patrol duties when requested. Active Crime also took a more pro-active role in dealing with weapons and illegal drugs during 2005. Active Crime receives support from all Divisions within our Service receiving valuable information from Uniform Officers, Intelligence Unit, Crime Stoppers and the Identification Unit.

Victim Services Unit has been operational since January 1995 and continues to provide services to individuals within the City of Peterborough and the Ward of Lakefield that have been identified as being a victim of violent crime and/or tragic circumstance. This response includes all crimes of violence, sudden death, hate crime, residential Break and Enter, personal injury motor vehicle collisions and any other incident that police believe will benefit from a victim service response. In addition to this mandate, victim services continues to receive general inquiry calls from community agencies and members of the community seeking advice or support on issues that affect victims. The volunteer program continued to be a

The success of Crime Stoppers could not have been accomplished without the partnership between the Community, the Media and the Police.

valuable asset during 2005, registering 947 hours. Victim Services facilitated one student placement from the Social Work program offered by Sir Sandford Fleming College. This Unit also accommodated a criminology student from London, England working on a thesis on domestic violence response within a police environment. During the Week Without Violence, this Police Service hosted the OACP Victim Services conference. This conference accommodated approximately 160 delegates. The conference focused on best practices and utilized the expertise of victim related programs from Ottawa, Hamilton and Niagara Police Services. Presenters offered information on drug programs to community and justice partnerships with protocols designed to improve services to high-risk victims. During the year 2005, 2,533 reports were reviewed and the number of incidents requiring follow-up were 1,670.

YOUTH CRIME STATISTICS

2005 2004

In 2005, there were a total of 391 youths charged with **Breach of Probation** compared to 235 youths in 2004.
2005 **Extra Judicial Measures** = 248

Forensic Identification Unit

This Unit consists of three officers. These officers train in Forensic Identification techniques, attend scenes of crime in search of physical and trace evidence to assist the investigation through evidence which will identify the persons responsible. They record scenes of crime through videos, photographs and drawings to orientate and inform the courts with details of the scene and events. The officers' duties also include training and mentoring members of the SOCO team to ensure quality of examinations. Daily duties of these officers include the taking of DNA samples for investigations and for the National DNA Data Bank, data input and maintenance of the AFIS system, fingerprinting of persons charged with offences, creating photo line-ups for officers and maintenance of office files.

Scenes of Crime Officer (SOCO) Program

The Scenes of Crime Officer (SOCO) Program was introduced to this Service in June of 2000. Twenty-one officers have undergone training and are qualified to conduct field examinations and photography for minor break and enters, theft, minor assaults and other incidents. In the year 2005, SOCO attended to 202 calls for service. Three suspects were identified through evidence that was obtained through their efforts.

DNA Samples

Since July 2000, this Service has submitted 955 samples to the National Data Bank. Forensic Identification officers were responsible for taking 740, while SOCO officers took 205.

AFIS

The Peterborough Lakefield Community Police Service purchased the Card Scan Automated Identification Fingerprint System (AFIS) in 2000. This allows the Service to input, directly into a database, charged persons fingerprinted and crime scene prints for searches.

For the year 2005, 11 criminal cases were solved (2 Break and Enters, 7 Stolen Vehicles and 2 Frauds).

Administrative Support Division

Manager David Humber

The Administrative Support Division of the Police Service is under the direction of Manager Dave Humber. His area of responsibility includes: Communications, Data Entry, Validation, Freedom of Information, General Inquiry, Information Technology and Human Resources.

Information Technology / Systems Management: During 2005, we updated our internal intranet site to a more modernized version with links to the electronic duty roster, schedules, general orders, officer safety bulletins, electronic forms and other internal and external links including updates from CBC news. The Service completed 3 upgrades to the Niche program. The most recent version enhances the Evidence/Property database, which will allow direct maintenance to CPIC from Niche and supports the integrated digital mugshot sharing system. The Lakefield connection to the network was upgraded with the newest model of security/connection device, speeding up functionality considerably and allowed access to the internet. At years end, we completed an upgrade to the Mobile Workstation network to allow five times the size of available access on the security device and the Province provided our Service with additional open ports on the firewall. In 2005, the IT Support Technician responded to 279 support trouble tickets, in addition to normal system maintenance, (upgrades and new equipment installations).

Communications / 9-1-1 Operations: 2005 was the first full year of operation with the Communications Shift Supervisors which proved to be a very successful program. The Emergency Communications / 9-1-1 Centre handled 21,620 calls, including 458 from Lakefield. In addition, an analysis of data of 9-1-1 calls indicated that they were directed as follows: 71% Police, 23% Ambulance and 6% Fire. Police calls for service handled by Communications from all sources, including 9-1-1 was 27,251.

Commendations

In cases of Meritorious Service, a member's Divisional Commander may make a recommendation of commendation to the Chief of Police. "Meritorious Service" shall be a distinguished achievement of service above and beyond the normal call of duty. It may involve a single set of circumstances or activity over a period of time. The commendation may be in the form of praise or an award of working time off, up to twenty (20) hours.

The following members received commendations during the year 2005.

Business Plan Progress

2004 to 2006 Business Plan		Status	
Goal	Objectives	Achieved	In Progress
Community Based Crime Prevention and Problem Solving			
To improve community participation in identifying service priorities and helping to solve crimes.	<ul style="list-style-type: none"> To investigate approaches to increase community participation in Team Meetings. To explore the potential for increased and improved use of civilian volunteers in community policing and crime prevention (eg., Auxiliary Officers). To further increase officer knowledge about the communities in which they serve. To continue priority support of the Crime Stoppers program. To continue the Neighbourhood Watch program. 	<ul style="list-style-type: none"> • • 	<ul style="list-style-type: none"> •
To work with the education sector to continue to develop and deliver proactive programs for reducing student-related incidents and instilling positive personal and community values.	<ul style="list-style-type: none"> To continue to develop programs for college and university students, including a sexual assault program. To continue to update, enhance and deliver proactive programs in elementary and secondary schools, (eg., Values, Influence and Peers Program (VIP); and Anti-Bullying). To support the Board of Education in implementing the "Character Education" program. To continue the focus within "Community Services" on school preventative programs and school related incidents. 	<ul style="list-style-type: none"> • • • 	<ul style="list-style-type: none"> • •
To increase community awareness (about community and police values, police programs, initiatives and local crime statistics and trends).	<ul style="list-style-type: none"> To develop and deliver programs/services and enhance our community partnerships with stakeholders who work with "at risk" populations (seniors, youth, the homeless, and mental health consumers/survivors). To continue to expand the range of business and community/agency alliances, advisory teams and formal partnerships, and ensure there is no overlap. To continue to maintain formal liaisons and develop protocols with agencies concerned with elder abuse and other seniors' issues. To continue to maintain formal liaisons and develop protocols with agencies concerned with "at risk" youth. To continue to maintain formal liaisons and develop protocols with agencies concerned with the homeless. To work on proactive initiatives (alternative measures) and continue to formalize protocols and alliances with others who serve mental health consumers/survivors. To incorporate into the staff media position, the responsibility of informing the community about police values, roles and programs; legislative changes; alliance with other police services; the Youth Criminal Justice System (YCJA); crime trends; etc. To ensure the Police Service web site is user-friendly and current. 	<ul style="list-style-type: none"> • • • • • • • 	<ul style="list-style-type: none"> • •
Public Safety Enforcement - Community Satisfaction			
To increase crime detection and reduce crime (violent, property, youth and drug-related crime).	<ul style="list-style-type: none"> To enhance the team policing and problem-solving approach to crime and public order problems / issues. To keep our crime rate lower than communities of similar size in Ontario. To continue to respond to current local trends in crime (eg., by increasing directed enforcement toward increasing drug, street-level, computer and electronic crime). To continue with the "Intelligence-led" policing model, in part by developing a globalized / regionalized approach to multi-jurisdictional enforcement. 	<ul style="list-style-type: none"> • • • 	<ul style="list-style-type: none"> •
To enhance community satisfaction with police services.	<ul style="list-style-type: none"> To continue to conduct regular audits to measure the degree of community satisfaction. To establish full time quality control. To review and update protocols with community partners (eg., CAS, PRHC, Kawartha Sexual Assault Centre, etc.). To provide customer service training for all staff. To enhance relationships with other agencies. 	<ul style="list-style-type: none"> • • • • • 	
To enhance the Victim Assistance Program.	<ul style="list-style-type: none"> To train and use volunteers to help with victim assistance. To increase community awareness of victim assistance services. 	<ul style="list-style-type: none"> • • 	
To improve traffic safety.	<ul style="list-style-type: none"> To continue to develop and implement traffic safety strategies that include education, prevention and enforcement. To continue to work with municipal stakeholders (eg., Peterborough Traffic Technical Committee) to improve the road network with the goal of improving safety. 	<ul style="list-style-type: none"> • • 	
To provide appropriate emergency response.	<ul style="list-style-type: none"> To evaluate the priority response policy. To maintain the current level of officer training for emergencies and firearms. To obtain approval and receive training in the use of the Taser (as a less lethal option). To annually review Standard Operating Procedures. 	<ul style="list-style-type: none"> • • • 	<ul style="list-style-type: none"> •
To increase officer visibility in the community To increase the number of hours allocated to foot and bicycle patrols.		<ul style="list-style-type: none"> • •
